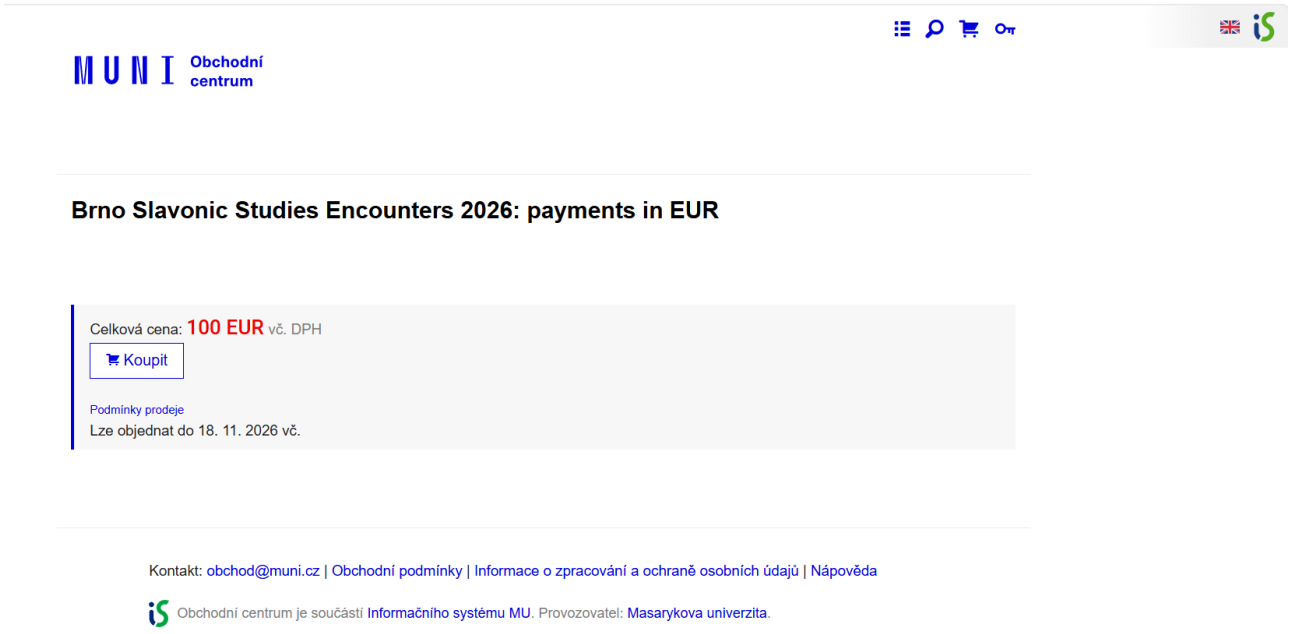
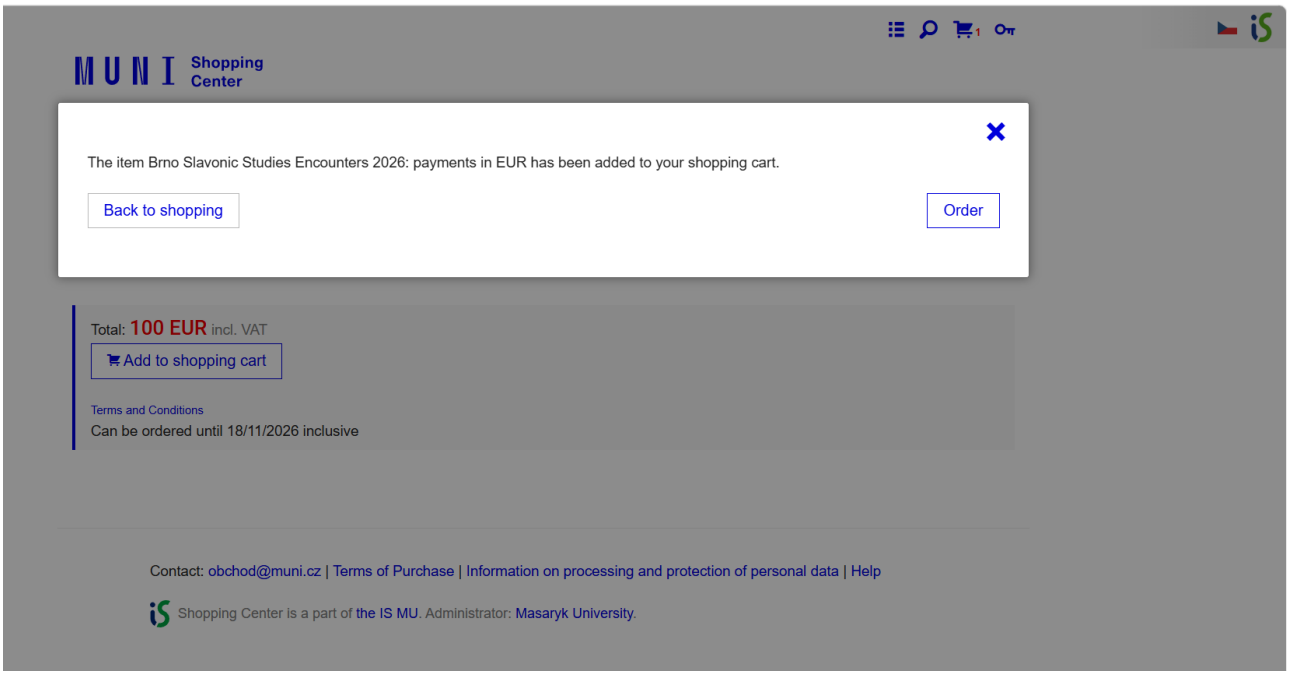
HOW TU BUY

For the English version, click on the symbol in the upper right corner. Then:



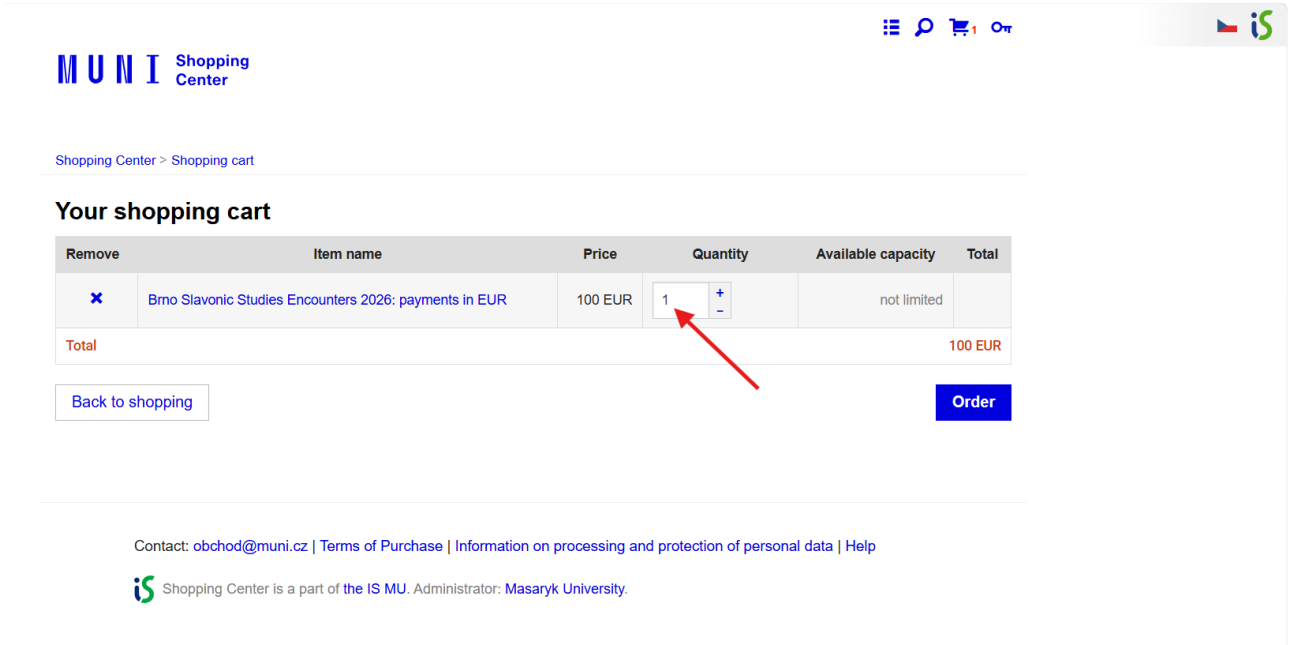
Click on **Add to shopping cart**; then:



Click on **Order**, or **Back to shopping**.

Your shopping cart

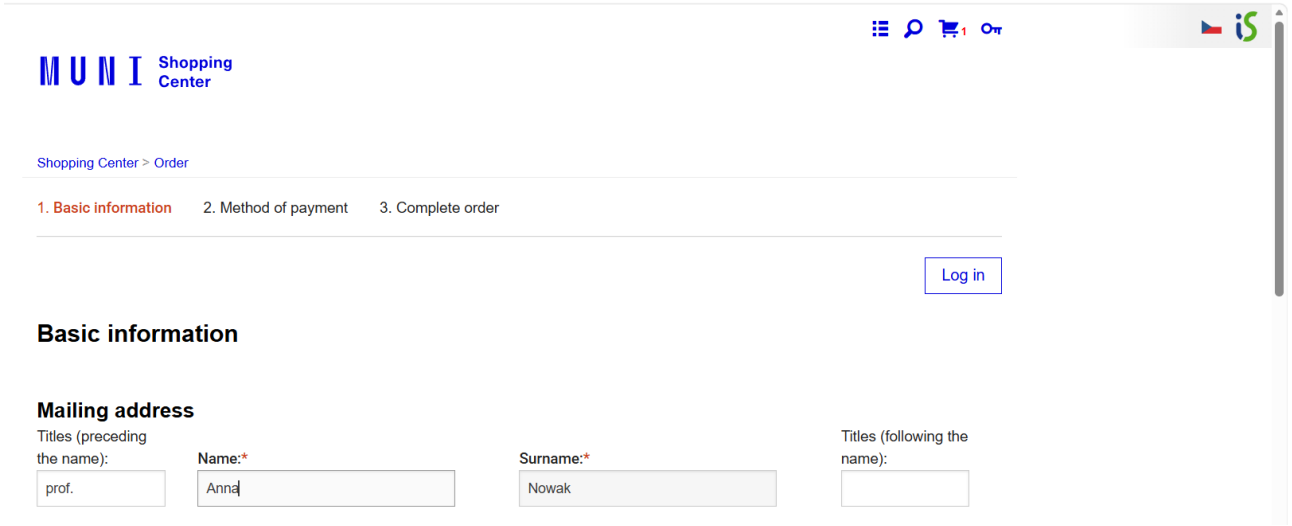
Check the Quantity on the page **Your shopping cart**. It must be 1 pc:



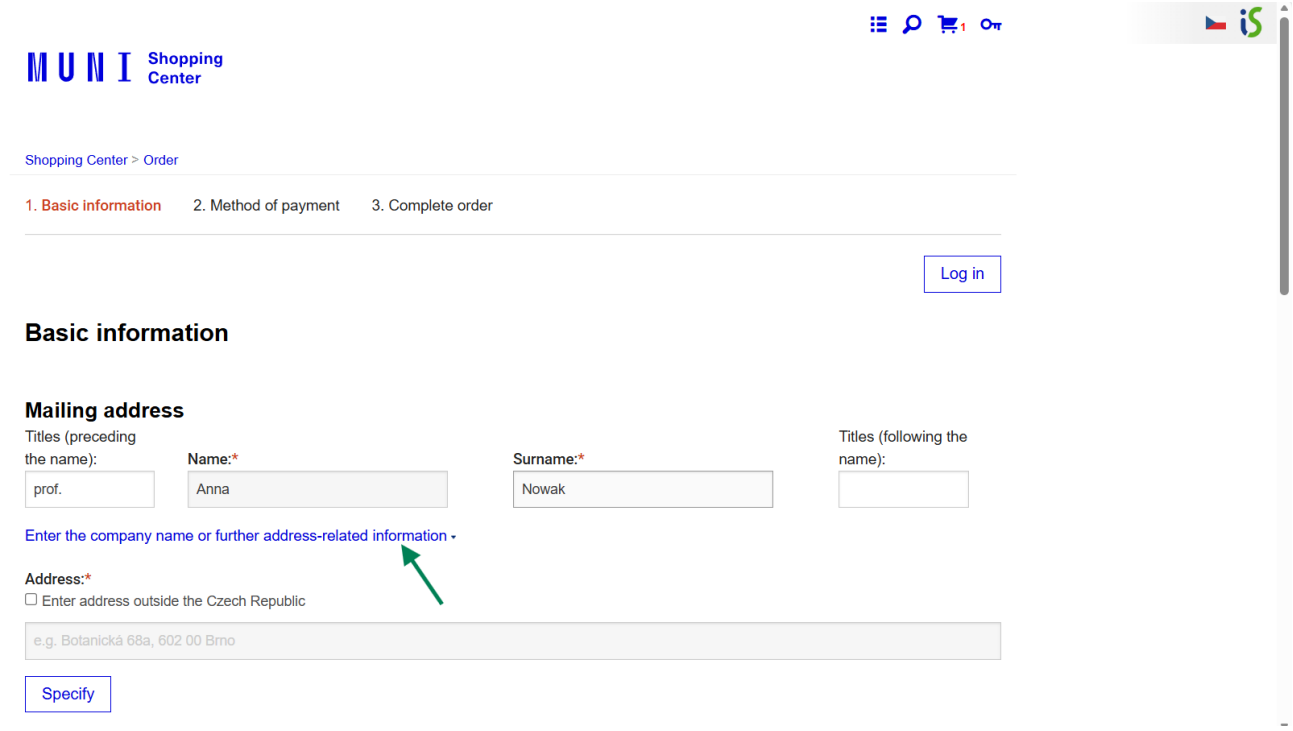
Click on **Order**, or **Back to shopping**.

Basic information

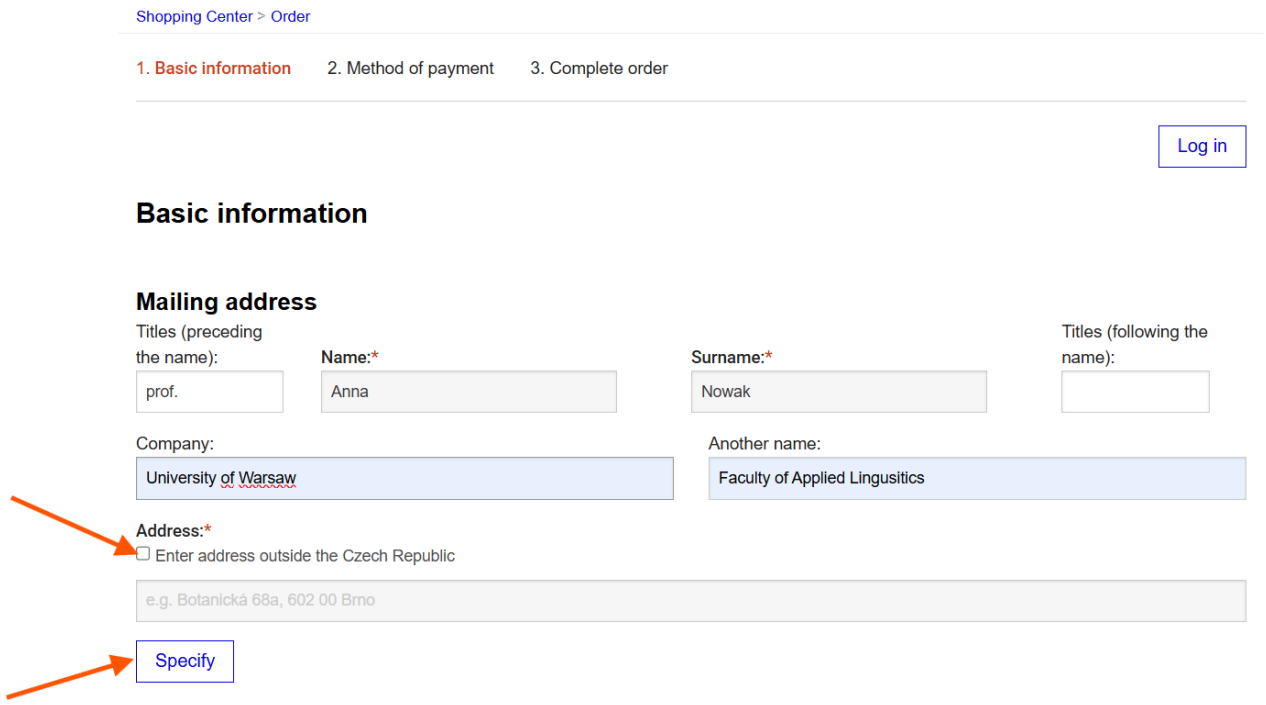
Fill in your titles, name(s), surname:



You can also fill in the name of the institution, click on **Enter the company name or further address-related information**:

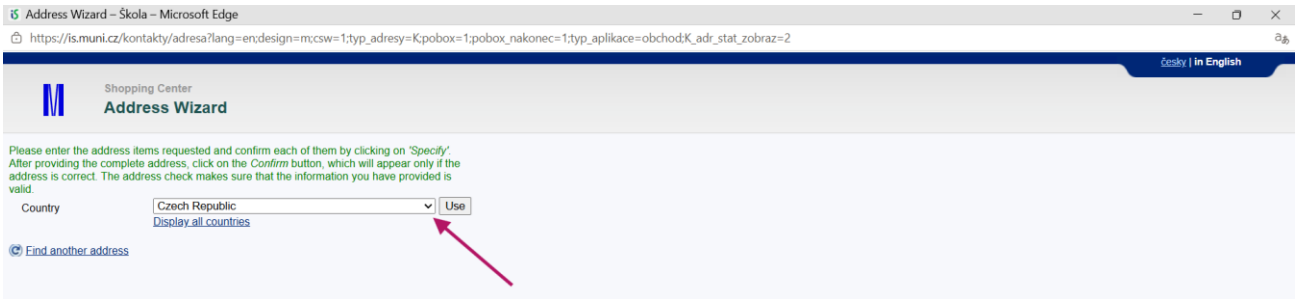


To enter an address outside the Czech Republic, select one of the two marked in red checkboxes. (If the address is in the Czech Republic, you can enter it directly into the grey box.)



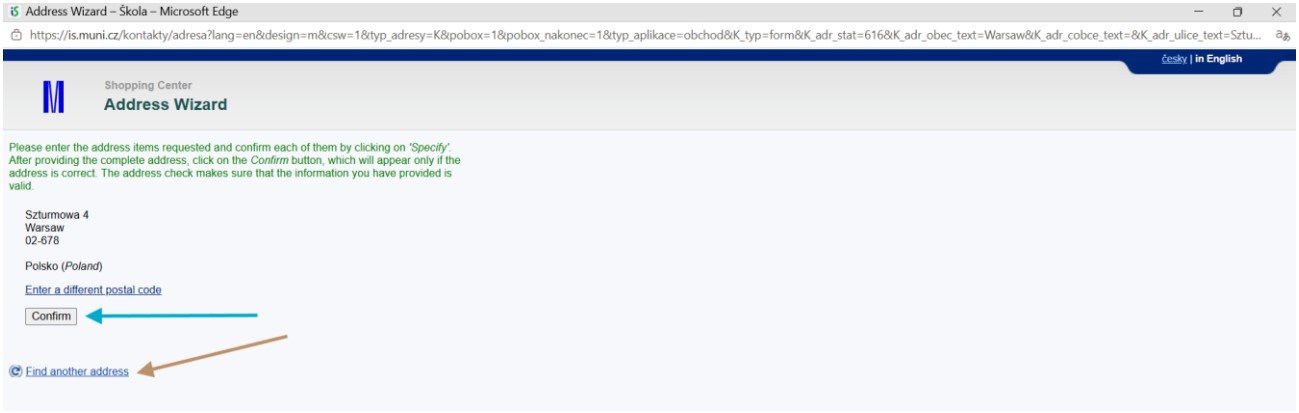
A page called **Address wizard** will appear.

Use the arrow to select a country, find your country, click on **Use**:



Then fill in the city, street, street number and zip code. Click on **Use**:

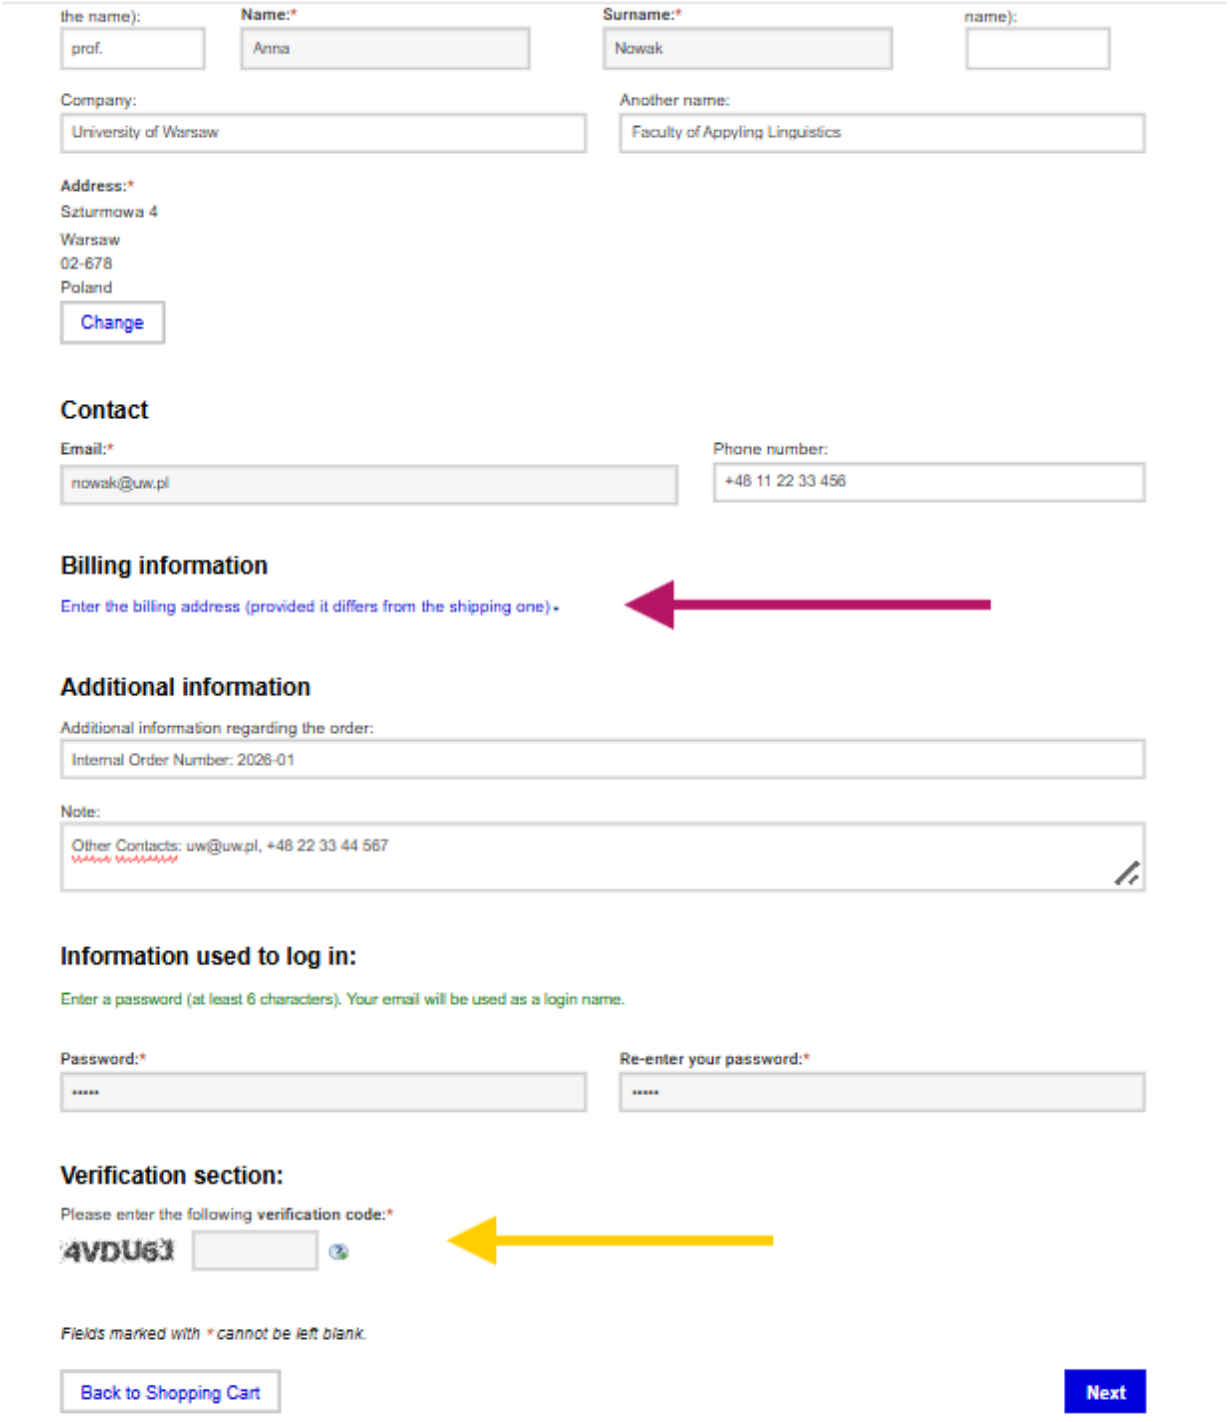
If the address is correct, click on **Confirm**; if the address is incorrect, select **Find another address**:



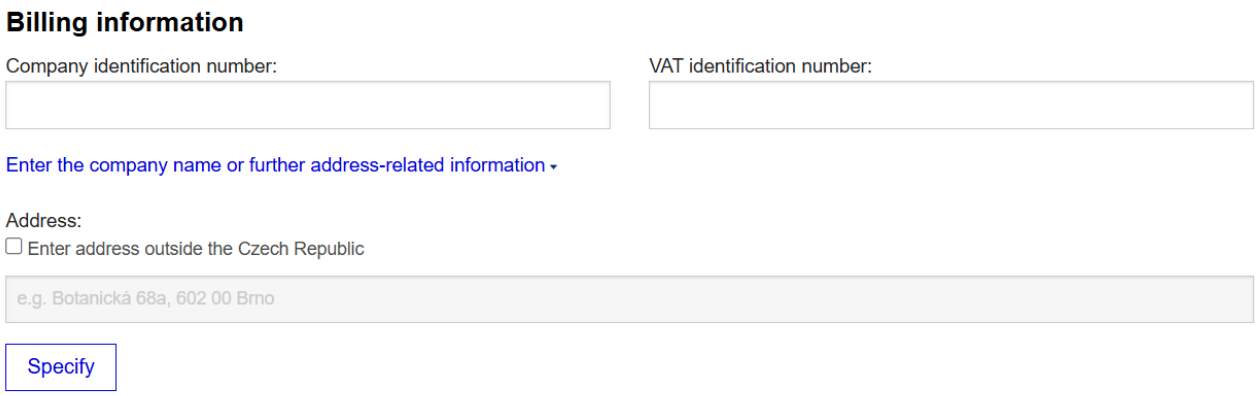
Billing information

Fill in the billing information of your institution (red arrow) (see picture bellow too), you can also add an internal number of order or a note, if necessary.

Then choose a password and type the code shown in the image (yellow arrow). Finally, select **Next** or **Back to Shopping**.



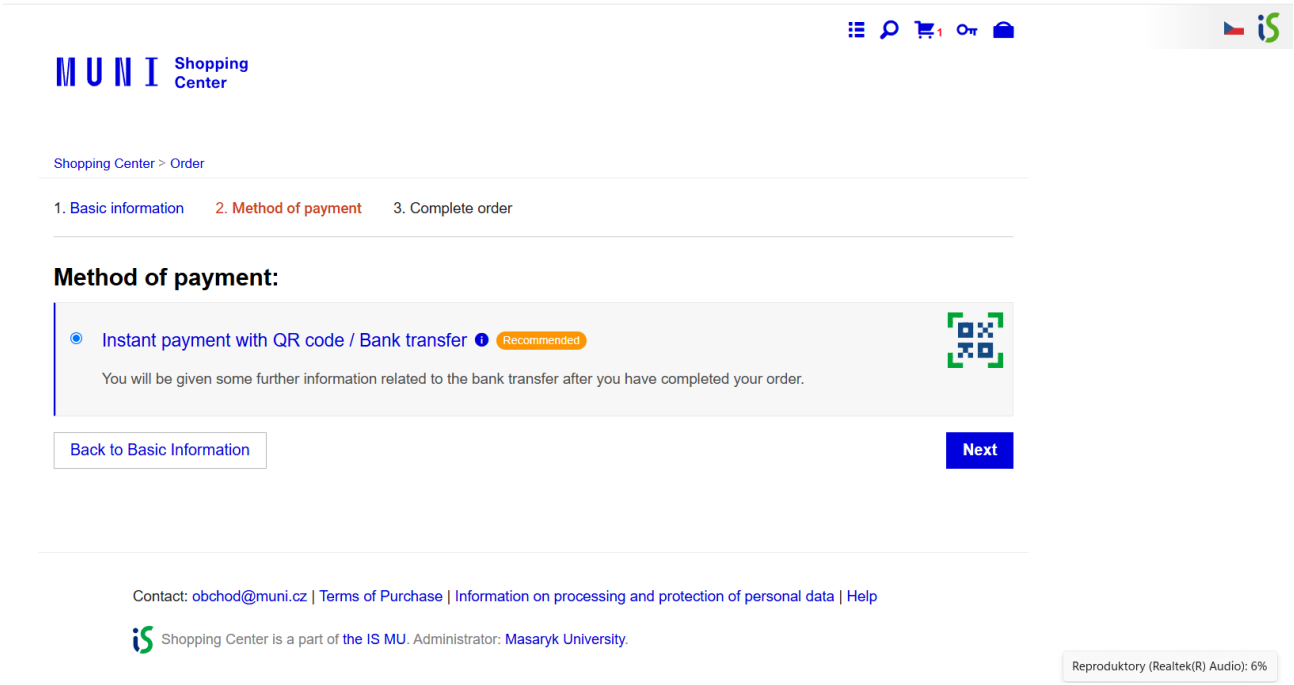
Enter the billing details her (after clicking on **Enter the billing address...**):



Method of payment

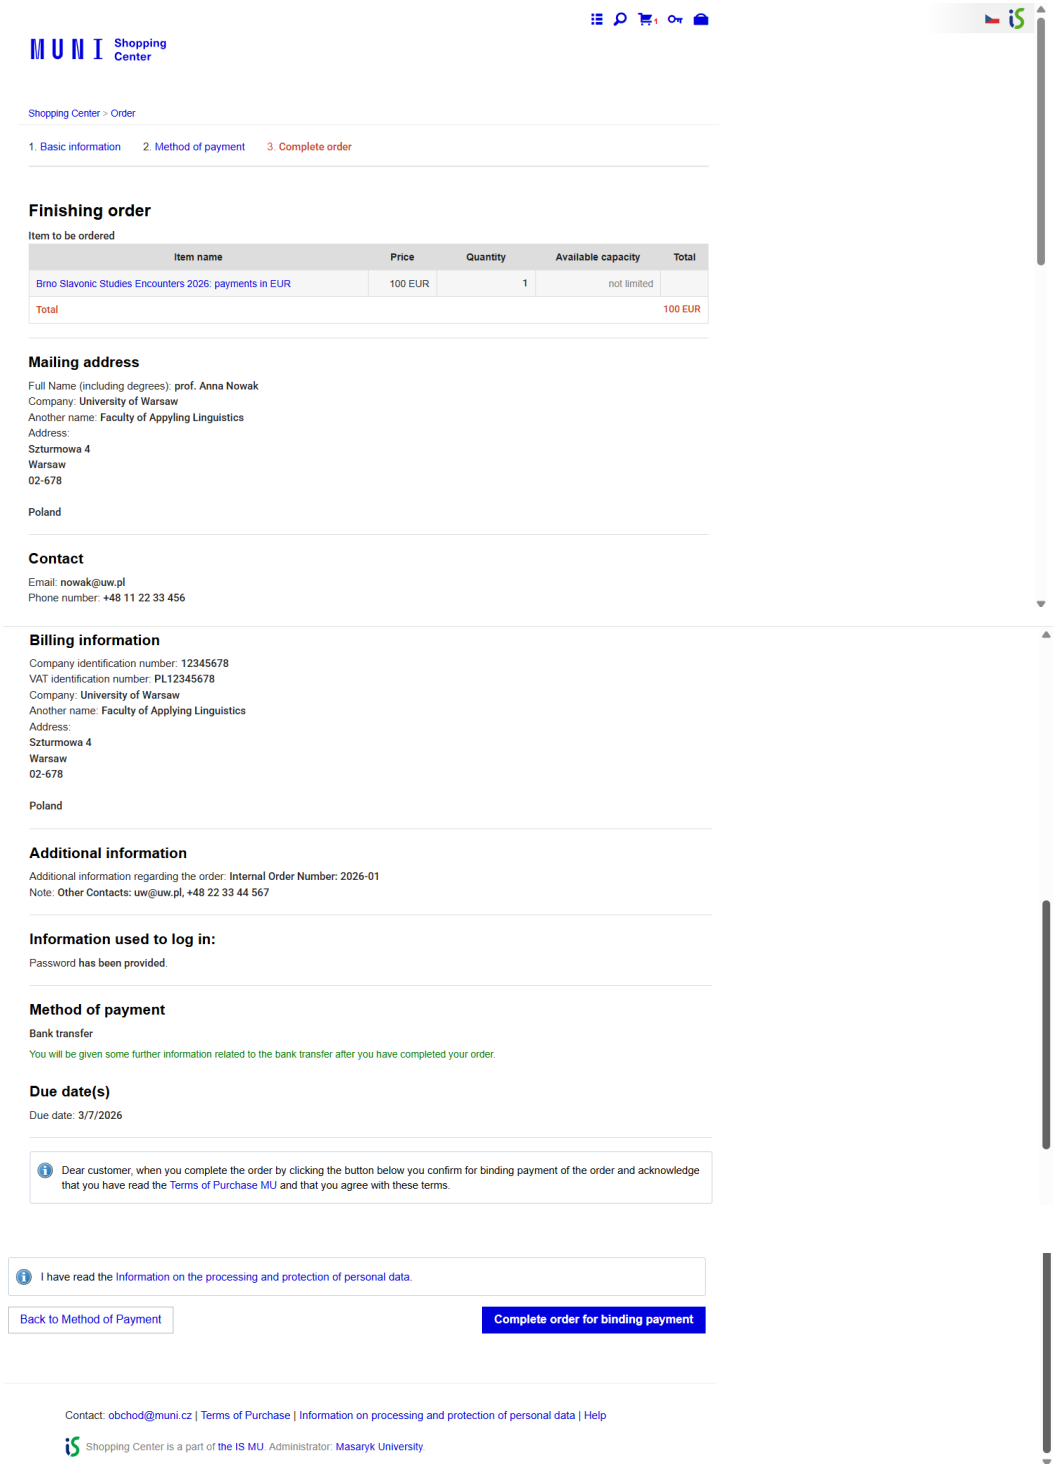
You can choose Instant payment with QR code, or Bank transfer. You will be given some further information related to the bank transfer after you have completed your order.

Click on **Next** (or **Back to Basic Information**):



Finishing order

After clicking **Next**, an overview of the entire order will be displayed. If any required information is missing, the system will alert you.



If all data in the order summary is filled in correctly, click on **Complete order for binding payment**.

Then you will receive payment instructions.
